### Dear Fellow Rotarians:

It was a privilege to be President of the Enid Rotary Club for the past year. With the Board of Directors, we set some lofty goals, and, for the most part, we achieved them. Goal number one was to qualify all of our members as Paul Harris Fellows by June 1, 2009. This goal was achieved. We are one of the largest clubs of all 33,000 Rotary clubs world wide to be 100% Paul Harris Fellows. Another goal was to meet our financial commitments to Rotary International and our District and do charitable work at home. We accomplished all this and kept our treasury healthy. An increase in membership would have been nice, but maintaining our membership at 150 is something to be proud of.

I wish to thank especially all the officers and board members who worked hard to meet the goals. It has been a good run and I enjoyed myself and most of all I enjoy being an Enid Rotarian. I always keep in mind Rotary's purpose, "Service above Self". Good luck to Jeff and Bruce and the Board as we all look forward to Rotary's continued success.

Sincerely, John Martin.
